If we become a member, we will support the mission of the Coalition: to make Oregon schools and communities safe places where every family can belong, every educator can teach, and every child can learn, regardless of sexual orientation or gender identity and be listed on Coalition publications. We understand that joining the Coalition in no way precludes our making independent decisions about our own policies and services.

Individual Membership

Dues are \$25 per year for individuals, but we invite you to contribute more or less depending on your ability to pay.

Organizational Membership

Dues depend upon the size of your organization, but we invite you to contribute more or less depending on your ability to pay. If you are a government agency or, for any other reason, are unable to make a financial contribution, you may negotiate an in-kind alternative to 'dues'. Do not let dues stand in the way of your joining the Coalition. Your contribution is tax deductible as OSSCC is a 501(c)(3) organization.

Suggested Organizational Membership dues:
